PRECISION PEPTIDE PARTNERS

BPC-157 / TB-500

SCIENTIFIC PRODUCT RESEARCH SUMMARY

Healing & Recovery

5 mg + 5 mg | $75.00 CAD

WHAT IS IT?

A combination of two experimental peptides studied separately in tissue-repair models.

Research profile — not a clinical treatment claim.

WHY IS IT STUDIED?

- BPC-157 tissue-response models
- Thymosin-related cell migration
- Combined-formulation evidence

HOW THE RESEARCH IS INTERPRETED

COMPOUND / MATERIAL — RESEARCH MODEL — EVIDENCE REVIEW

Mechanism and biological context

A combination of two experimental peptides studied separately in tissue-repair models.

Scientific pathways and experimental findings are not proof of clinical benefit.

EVIDENCE LIMITATIONS

Evidence for the mixture is not equivalent to findings for its individual ingredients.

PRODUCT INFORMATION

- Listed size: 5 mg + 5 mg
- Catalog price: $75.00 CAD
- Category: Healing & Recovery

RESEARCH & SAFETY CONSIDERATIONS

Educational and research information only. Not medical advice. No claims of purity, sterility, testing or approval are made without product-specific documentation.

UNDERSTAND THE MECHANISM • KNOW THE LIMITATIONS • RESPECT THE RISKS

EDUCATIONAL / RESEARCH INFORMATION ONLY • NOT FOR SELF-ADMINISTRATION
