PRECISION PEPTIDE PARTNERS

GLOW

SCIENTIFIC PRODUCT RESEARCH SUMMARY

Healing & Recovery

70 mg | $100.00 CAD

WHAT IS IT?

A multi-peptide blend described in the supplied GLOW70 summary as GHK-Cu, BPC-157 and TB-500.

Research profile — not a clinical treatment claim.

WHY IS IT STUDIED?

- Copper-peptide matrix biology
- BPC-157 preclinical tissue models
- TB-500 cell-migration pathways

HOW THE RESEARCH IS INTERPRETED

COMPOUND / MATERIAL — **RESEARCH MODEL** — **EVIDENCE REVIEW**

Mechanism and biological context

A multi-peptide blend described in the supplied GLOW70 summary as GHK-Cu, BPC-157 and TB-500.

Scientific pathways and experimental findings are not proof of clinical benefit.

EVIDENCE LIMITATIONS

The supplied summary states there are no clinical trials establishing the finished blend’s safety or efficacy.

PRODUCT INFORMATION

- Listed size: 70 mg
- Catalog price: $100.00 CAD
- Category: Healing & Recovery

RESEARCH & SAFETY CONSIDERATIONS

Educational and research information only. Not medical advice. No claims of purity, sterility, testing or approval are made without product-specific documentation.
